

January 2025

Dear Parent/Guardian

We would like to invite you and your child to a Frontline Living History interactive presentation on World War One at the Duchess's Community High School on Monday 10th February at 5pm. The event will involve a dynamic talk followed by the opportunity to view and hold artifacts including weapons, gas masks, uniforms and much more.

This event is aimed at Year 5 and Year 6 students and their parents/carers but younger children/older are also welcome. This has been a great experience in the past.

Tickets are free but please consider making a donation to BOOST (the charity which supports young people at DCHS).

If you would like to come, please follow the link to book your places:

<https://www.ticketsource.co.uk/boost/t-moxrxgx>

We hope to see you there!

Kind regards,

Ruth Doctor
History teacher
