Before and After School Clubs for Spring Term 2

Dear Parents/Caregivers,

First of all, thank you to everyone whose children have attended our range of before and after school clubs this half term and the positive feedback these have received. Secondly, thanks to staff for putting in many additional hours, away from their own families to enable this.

We will continue to run our early bird club for the whole of Spring Term in the hope that we will have further support to enable this club to be financially viable.

This club is 8.00-8.45 and the cost is only £2.00 per child per session. Drop in available at £5.00 per session (please check the club is running beforehand). Mondays to Thursdays.

Late Club (Nursery -Year 6)

Tuesdays will continue for the whole of Spring Term at least.

However, we may be able to staff an additional night (**Thursdays**) subject to minimum numbers. Please let the office know if you would be interested in this.

Costs will remain at £3.50 per child for clubs that last an hour and to £7.00 for clubs that run until 5.30 unless you are informed differently.

Enrichment Clubs (£3.50 per session 3.15 -4.15) will be as follows:

Some clubs ran with very low numbers this half term which we cannot continue to deliver therefore please do support us and let us know which clubs your child will be attending from the list below by Monday 12th February.

Early Birds Club and Tuesday night late club will run as we have made clear for the rest of the school term in the hope that more people will find this service helpful.

Please remember once you commit to a club payment for each week will be set up on School Money and are non-refundable and please also remember to pick your children up promptly as staff have other commitments. A late charge will be applied if late pick up happens on more than one occasion.

Pupils who receive Pupil Premium Free School Meals may access clubs for no charge as school receives money for these children. If you would like to access this please contact me.
